The notification conforming to the requirements of the Board's regulations (15 CFR 400.22) was received on January 13, 2022.

Pursuant to 15 CFR 400.14(b), FTZ production activity would be limited to the specific foreign-status component described in the submitted notification (summarized below) and subsequently authorized by the Board. The benefits that may stem from conducting production activity under FTZ procedures are explained in the background section of the Board's website – accessible via [www.trade.gov/ftz](http://www.trade.gov/ftz). The proposed component would be added to the production authority that the Board previously approved for the operation, as reflected on the Board's website.
